Welcome to the Winter Semester!

Your Department of Public Safety is ready to assist you!
We are staffed 24 hours a day, 7 days a week, 52 weeks a year. We are a sworn police department with full arrest powers.

We will assist you with accident reports, criminal investigations, crime prevention presentations and domestic violence assistance.

You’ll find us helpful for answering questions, finding a room number, lost and found articles, vehicle unlocks, jump starts, and low tire pressure.

We provide a 24 hour on-campus escort service and emergency medical assistance.

There are “blue light” emergency call boxes in Ramp G and Lots E & F. Each building on the main campus has Emergency Call boxes in the hallways. You can find these boxes on the campus maps indicated by the red phone sign.

It doesn’t stop there, visit our webpage on www.mcc.edu for countless safety tips and information about our department and services. Visit us today!

Parking Guides and Tickets

The Department of Public Safety issues parking violations to vehicles that are parked in violation of City of Flint ordinances and College regulations. Issued violations are submitted to the 68th District Court. Disagreements with issued parking violations can be contested at the 68th District Court. The parking violation is written on a pre-addressed envelope. Payment can be sealed in the envelope and mailed. Do not send cash. If the parking violation is not received within 14 days, a $10.00 judgment fee will be entered.

Visit our webpage at www.mcc.edu for parking information and the campus parking guide.

Emergency Kits

If you haven’t already, maybe the recent power outages across our counties will convince you to put together an emergency kit. Many folks reached for their blankets, jugs of water, flashlights and non-perishable foods. If you did too then don’t forget to replenish those items. If you have yet to create your emergency kit, here’s a list of the kinds of things you’ll want to consider.
