Volume 7, Issue 1

Fall 2017

**Welcome!** Mott Community College's University Center is an important opportunity for the Mott graduate to embark on their future educational studies in the comfort of their own backyard. It is a smooth transition from MCC to any of our outstanding partners: **Bellevue University, Davenport University, Ferris State University, Michigan State University, Rochester College and University of Michigan – Flint.**

Located on the main floor of the Mott Memorial Building (Bellevue – 2<sup>nd</sup> floor of Mott Library), each office has staff available to talk with students about programs offered on the MCC campus. It's never too late to plan your future.

**Bellevue University** is proud to be entering its second academic year with our esteemed partner; Mott Community College. We as an institution have been busy at work commemorating our 50th year and 50,000th student. To that end we have been looking ahead towards a bright and productive next 50 years with innovation to our online platform learning models in addition to insuring that we are able to provide open access education nationally. Our focus has been solely on the student by maintaining a low cost, high quality bachelor's degree completion option for our non-traditional student. We offer generous degree options and scholarships that further reduce the overall cost of attendance for our transfer students from Mott Community College.

Our 50th year benchmark could not have been achieved without the intrinsic understanding that student success is our mission, our focus. In short we could not have achieved our goal without you; the students and our community partners! Bellevue has become recognized nationally as a leader in preparing students for lifelong success with career-relevant knowledge and skills, while making college affordable. Our institution is routinely ranked among the nation's top military-friendly and open access institutions; the University serves students at its main campus in Bellevue, Nebraska, and everywhere online.

**Davenport University** is now located on Mott's main campus. You can find our office in the Mott Memorial Building Room 1012. Please stop by our office to find out more about the programs we offer:

Mott students who are going to receive their Associate's degree can come and see us about our Bachelor degrees in Business, Health and Technology. Mott students may be eligible for up to a 35% discount off their tuition.
